FOUNDED IN 1991

Headquartered in  
Independence, OH

**500+**  
EMPLOYEES

1991

Our visionary Founder, Steve Kimmelman, decided Redwood's focus would be different than the status quo: we focused on creating a living experience residents deserved—one that felt like home.

2003

David Corwill partnered with Steve to lead Redwood's growth platform, which quickly multiplied across the Northern Ohio region. People started to fall in love with the idea of an apartment that felt more like a home than a rental.

2011

As Redwood grew, talented real estate and business professionals joined Redwood to further expand and enhance our signature business strategy. Every decision came back to emphasizing the needs of each individual resident.

TODAY

It's been nearly 30 years and we've grown into an integrated company responsible for both the development of neighborhoods and their management. We aren't done growing & improving though! Our neighborhoods in Ohio, Michigan, Indiana, Kentucky, Iowa, and the Carolinas are just the start—stay tuned for more.
